Notice of City of Bonham, Texas Street Sweeping Contract

Dear Citizens,

Starting on October 13th, the street sweeping contractor for the city will begin sweeping all streets in Bonham. They will begin around the downtown square and then work their way into the neighborhoods. This process might take a few days, but if possible, we request all citizens to move their vehicles off the street in advance or if they see the sweeper in their neighborhood. This would help the contractor when cleaning the debris off of the street and out of the gutter where there is curbing. Thank you for your assistance!

If you have any questions, please feel free to contact the City of Bonham Utility Department at 903-583-7555 or send us a message at [www.cityofbonham.org](http://www.cityofbonham.org).
